Amazing holidays

Hi Thomas,
We're in Russia. It's really big - it's the biggest country in the world. We're on the Trans-Siberian train from Moscow to Vladivostok. It's the longest train journey in the world. It takes seven days. Everyone on the train is very friendly. Outside there's snow everywhere. It's much colder than Britain. At the moment I can see some mountains. They're much taller than the hills near my house. They're beautiful. I'm really enjoying this holiday.
Ellie

Hello Natasha,
I'm on holiday in Göreme, a town in Turkey, with my family. It's sunny all the time. It's much hotter here than in Britain. There isn't much rain and there aren't many trees. Everything is very dry. Britain is much wetter and greener. We're staying in the best hotel in the town. It's amazing. Our room is in a cave and it's got a lovely swimming pool. It's smaller than the pool at school, but it's warm and we swim every day.

A week in New York

Last year I went to New York with my mum and dad. These are my photos.

One day we took a boat to Staten Island. The view of New York was amazing. On the way we saw the Statue of Liberty. It was green and more than 93 metres tall. The French people gave the statue to the Americans in 1886. It was a present for America's 100th birthday. It was ten years late!

Central Park was very big. It was sunny and there were lots of people in the park. We had lunch next to the Lake and

watched some people in boats. Then we went for a ride in a horse and carriage.

My family also visited the Empire State Building. Millions of people visit the building every year. It opened on May 1st 1931. It was the tallest building in the world at that time. We went

up to the top, and there were wonderful views. The Empire State Building has got 6,500 windows – that's a lot of windows to clean!

On our last day we went shopping on Fifth Avenue. It's one of the most famous shopping streets in the world. I bought a

present for my best friend. I got him a T-shirt with an American flag on it.

1 Talk about a city you visited.

2 Write about a city you visited.

- 1 Where did you go?
- 2 What famous buildings were there in the city?
- 3 Were there any parks?
- 4 Were there any statues?
- 5 Did you go shopping? Where did you go?

I visited New York City last summer. We went to the Bronx Zoo. There were many amazing animals.

We also saw the Hudson River. It was very big. My favourite building was the Metropolitan Museum of Art. It was so beautiful!

This is Doctor Wells. She works at the hospital with other doctors and nurses. She helps sick children. She looks at their eyes and ears. She listens to their hearts. Sometimes Doctor Wells gives medicine to the children to make them better. She likes helping people.

2

Miss Adams is a librarian. She works at the library in the town centre. As well as books, there are DVDs, magazines and newspapers in the library. Miss Adams uses a computer and helps people look for books. She reads stories to children too.

3

This is Mr Brown. He's a firefighter. He works at the fire station with other firefighters. They work in a team. They save people in fires and help people in car accidents. They're very brave. Sometimes Mr Brown climbs a tall ladder and helps cats in trees.

4

Mr Walker is a bus driver. He drives a school bus. It can carry 51 people. Every morning he gets up early and drives the children to school. He must go back to school at the end of the day and take them home again. He drives the same way every day.

Looking after our world

1

We must look after the forests. More than half the world's plants and animals live in forests. Many medicines come from these plants. We need forests, but all around the world, people are cutting down trees. They use the trees to make paper and furniture. You can help save the forests. Don't waste paper.

2

People, animals and plants need clean water. We drink water and we wash with it. Plants must have water to grow. We must look after the lakes and rivers. We mustn't waste water. Turn off the water when you clean your teeth. Baths use more water than showers. Take a shower, not a bath.

3

We must look after our towns and keep them clean. People don't like dirty streets – they're ugly. Children can't play in playgrounds with a lot of litter – they can have accidents. You can help. Don't throw litter in the park or the street. Take it home or put it in a bin.

4

We need clean air. Dirty air makes people sick. In 1952 many people got very sick in London because the air was dirty. Today London's air is much cleaner but cars still make it dirty. You can help. Don't always go by car. Walk or ride a bike.

1 Tick (✓) the good actions and cross (X) the bad actions.

- 1 throw litter in the bin
- 2 waste paper
- 3 save water
- 4 ride a bike
- 5 drop litter
- 6 always go by car

2 Write about how you can help the world.

I can ride a bike to school. This helps keep the air clean.
 I must throw litter in the bin. Dirty cities are ugly.
 I mustn't waste water. We need water to live.
